Caller cards

Adult: cut along the dashed lines and shuffle all 9 cards.

 pine cone	maple leaf	 mushroom
squirrel	owl	 apple
pumpkin	umbrella	rain boot

Draw one card, show it and name it. Keep drawn cards face up.

Let’s play together

For 2–4 players and one caller.

Set up. Give each player a different card. Gather large counters and a bag. An adult cuts out the 9 caller cards on page 5.

Take turns. Mix the cards in the bag. The caller draws one, shows it and names it. Everyone covers that picture on their card. Keep drawn cards out of the bag.

Bingo! The first player to cover a row or column of three wins. Diagonals do not count; there are no free spaces. If several players get bingo on the same call, they share the win.

After the game

1. Find the same picture on two cards. Is it at the top, at the bottom or in the middle?

2. Sort the caller cards into your own groups. Invite your child to explain which pictures belong together.

3. Choose three pictures and tell a short story about a fall walk.

Print at 100% on A4 paper. Pages 7–8 help the caller check the cards.
